Subject: Fwd: NYDOH PFOA FACT SHEET

Marcus and Michael:

Attached is the latest "fact sheet" from DOH on PFOA.

The Fact Sheet reads as if it was written by DuPont or 3M. I have discussed the content with Rob Bilott. We are both appalled by the content and are willing to discuss it with you. Bilott asserts that DOH's characterizations of the PFOA levels that were the subject of the C-8 Panel's work are not accurate. He further points out that the PFOA levels in the "C-8" communities are comparable to the exposure levels in Hoosick.

Please call me to discuss.
